## Mas des Cygnes

The "Mas des Cygnes" is a farm located in Camargue surrounded by vineyards. A pond with an abundance of ducks, coots and swans borders your terrace, a private garden and a barbecue. This calm and wild setting is only 1.5 km away from the medieval city of Aigues-Mortes.

Hélène and Philippe invite you to take a break in the beautiful region famous for its tradition of bull-fighting and Camargue gastronomy. Make yourself comfortable in one of our houses...
